TREEHOUSE

Stand against hunger with us!

When you volunteer at Feed My People you're making a difference against hunger in west central Wisconsin. Opportunities include packing ready-to-eat bags and repacking bulk food, distributing groceries at pop-up pantries, picking orders for our hunger-relief partners, and driving our box trucks. Use the scheduler tool on this page to sign up for an available shift as an individual or a group of 5 or less people. Youth 8 and up are welcome. See the youth volunteer policy below for full details.

Group volunteer opportunities are regularly available Mondays, Tuesdays, and Thursdays from 9-11 am and 1-3 pm. Pack food in the clean room with your group of 6-15 people. Contact Ken to schedule a time at ken@fmpfoodbank.org before registering on this page. Additional group opportunities are available by request.

[VOLUNTEER FAQS](#)[YOUTH VOLUNTEER POLICY](#)

Feed My People would love to have you volunteer with us. In fact, we can't do the work we do without the support of volunteers. Whether packing bulk food into smaller bags, assembling orders in our warehouse, or distributing food to hungry neighbors at our Pop-up distributions, volunteers are at the heart of what we do together.
